List of allergens for specials are printed on the back of the specials menu available when you dine.

We recommend that guests with severe food allergies choose a complete dish off this allergen menu so they can check it does not contain the relevant allergens. We have an allergy policy and do our best to reduce the risk of cross-contamination but we cannot guarantee that any of our dishes are free from allergens. Guests with severe allergies are advised to assess their own level of risk and we do not accept any liability in this respect. Whilst modifications may seem easy to accommodate, please understand when they are declined as they may impact on the efficiency of service to others or be impossible due to elements of the dish being pre-prepared.
